**STATEMENT OF ISSUES ON APPEAL OF**

Jose R. Solano

(Your name)

I think the bankruptcy court was wrong when it:

Issue 1. The Court erred in ruling that the Appellant has no standing to bring complaint.

Issue 2. The Court erred in ruling that the property was part of the Bankruptcy Estate.

Issue 3. The order of dismissal is an abuse of discretion because it is not supported by a finding of fact and/or of law.

Issue 4. The Bankruptcy Judge is required to recuse himself from the proceeding.

Issue 5. The judgment is void due to due process violations.
